

## **Intake form for users of the GI's light microscopy ML-I room (HG01.228) for users registered as 'projectmedewerkers' in GRIMAS**

Several light microscopes of the department of general instrumentation (GI) are located in an ML-I room (HG01.228). Before the start of the training/work in this room this form must be completed by the user and the VM ("responsible employee") of their department and handed over to Jelle.

This form is for users that are registered in GRIMAS as 'projectmedewerkers' at (at least) ML-I level.
